Montreal June 4/69

Peabody

I saw Mr. Darn  
Yesterday, whom I found a  
very agreeable man, and ready  
to do all manner service for  
me.

I shall see him again  
this morning, and Saturday  
next, to complete my baggage.

Very truly yours  
Wm. A. Darn. The reason  
for a new Professor is that

after 28 years ousted it is  
now the property of the author,  
and that a reprint and sub-  
sequent history is added.

But there are put forth in  
a few words in my new preface.

It occurs to me that, to aid  
the sale, the preface, or some  
perchance of it should be  
published in the papers.

Yours truly

R. H. Dana Jr
